

Jasmin on the 'Sexo y Esoterismo' Expo

Jasmin.com is the main sponsor of this year's Sexo y Erotismo Expo. By now, it is one of the world's most visited websites. Jasmin.com has been in a leading position on the live chat entertainment market since it was founded in 2001 by the Hungarian business-man Gattyán György. The founder, due to his humble origins, has always had a dynamic attitude regarding his work. Both his talent and work ethic proved extremely useful on his journey and with their help, he built himself an immense presence in the interactive technology industry.

The basic concept on which Jasmin was formed, and eventually grew out of, was to create a reality show featuring adult entertainment. In 2003 the number of guests grew from a few hundreds to a few thousands, and quickly the numbers became hundreds of thousands. Nowadays Jasmin.com has more than 35 million guests per day and according to Alexa's list, 1% of the overall traffic of the internet is concentrated on Jasmin.com, making it one of the 100 most viewed websites ever. Currently Jasmin.com is available on smart TVs and multiple mobile devices as well.

This is how Jasmin.com established itself as the official sponsor of the Sexo y Erotismo Expo 2015 in Mexico, which is definitely the biggest and most important adult entertainment event in all of Latin America. All the known names and enthusiasts of sexuality and various forms of adult entertainment connect here. The Expo will take place on the 17th, 18th and 19th of July at the Reform Expo in Mexico.

Although it's not a job that everyone would do, LiveJasmin has over 60.000 webcam models. The chat hosts all work from home and they enjoy a flexible schedule. The models' earnings start counting after the first minute that they work on the website, and can even reach up to 40.000 euros per month! This is pretty much everyone's dream in times of crisis. Jasmin.com is constantly searching for new models all the time, which is not surprising considering that the service has over a million daily viewers. The sheer amount of visitors have turned Jasmin.com into the most visited porn site on the internet (according to Google and Alexa) where a variety of webcam models can be found.

The growing success of this service has already become the focus of several studies of the world's most prestigious universities, and Jasmin.com has rightfully earned its place among the biggest success stories of the internet with it becoming the most visited live chat community of the world.
